

Chatterbox Game

- 1 Print and cut around the outside of the chatterbox
- 2 Fold in half and in half again
- 3 Open out, turn over so the blank side is face-up. Fold each corner into the middle
- 4 Turn over and repeat so the numbers are folded into the middle
- 5 Turn over so you can see the pictures
- 6 Put your fingers under the picture flaps (thumb and middle fingers work best)
- 7 All the pictures should now be at the front with centres touching – you're ready to go – just ask it a question!

1 Do you really know enough? Maybe you need to do more research.

2 Ask a mate for advice or a chance to talk this out.

3 Step into the future: will you look back on this as a good decision?

4 What's the worst case scenario?

5 What would you tell your best friend to do?

6 Ignore what your mates think and do what's best for you.

7 Hmmm, is this a good idea? Weigh up what the consequences might be.

8 Ask yourself: does this really sit right with you?
